

FLOOR CLEAN ANTI-BACTERIAL

PRODUCT INFORMATION SKU# G-FC-C

Application:

Floor Clean - Anti Bacterial is a concentrated, viscous orange liquid detergent formulated with a blend of anionic and non-ionic surfactants. It is enhanced with pine oil for effective natural bacterial control. This product excels in cutting grease, removing soil, and cleaning a variety of washable surfaces, including floors, toilets, baths, stoves, sinks, bench tops, and windows.

Description:

Floor Clean is highly efficient, cost-effective, and versatile. It is low phosphate, non-corrosive, residual free, and non-flammable.

Direction of use:

- 1- Light Soiled Areas: Dilute 1 part Floor Clean with 20 parts warm water.
- 2- Medium Soiled Areas: Dilute 1 part Floor Clean with 10 parts warm water.
- 3- Heavy Soiled Areas: Dilute 1 part Floor Clean with 5 parts warm water.

For floors, use a bucket and mop. For other surfaces, use a cloth, sponge, or brush. The product can also be applied through a pressure cleaner.

Safety precautions:

Handling: No need to wear gloves for general use. However, for prolonged or repeated contact, it is advisable to wear suitable protective gloves.

Storage: Store in a cool, dry place, away from heat and direct sunlight. Keep container tightly closed.

Disposal: Dispose of empty container in accordance with local regulations. Do not reuse container.

First Aid measures:

Eye Contact: Rinse eyes thoroughly with water for at least 15 minutes.
Seek medical attention if irritation persists.
Skin Contact: Wash skin with soap and water.
Ingestion: Drink plenty of water. Do not induce vomiting. Seek medical attention immediately.

Environmental information:

The product is biodegradable and has a low environmental impact. Avoid discharge into waterways.
