

MULTI-DEGREASER CONCENTRATED

PRODUCT INFORMATION

SKU# **G-MD-C**

Application:

Multi-Degreaser is ideal for a wide range of industrial cleaning applications, including:

- . Machinery and equipment: Degrease engines, motors, tools, conveyors, and other equipment.
- . Floors and walls: Remove grease, oil, and grime from concrete, tile, and other hard surfaces.
- . Vehicles and transportation: Clean trucks, buses, heavy machinery, and other vehicles.
- . Parts cleaning: Soak or dip small parts to remove grease and grime.

Description:

Multi-Degreaser is a concentrated, heavy-duty alkaline cleaning product specially formulated to tackle tough grease, grime, oil, and other contaminants in industrial settings.

Its powerful formula effectively cuts through even the most stubborn soils, leaving surfaces clean and ready for further processing or maintenance.

Direction of use:

1. Dilute Multi-Degreaser according to the desired strength in a suitable container.
2. Apply the solution to the soiled surface using a brush, mop, sprayer, or other appropriate tool.
3. Scrub or agitate the surface to loosen dirt and grime.
4. Rinse the surface with clean water to remove the cleaning solution and dirt.
5. For heavily soiled areas, you may need to repeat steps 2-4.

Dilution Guide:

Multi-Degreaser is a concentrated product that must be diluted before use.

The recommended dilution ratio depends on the severity of the cleaning task:

- . Heavy-duty cleaning: 1:10 to 1:20 dilution
- . Medium-duty cleaning: 1:25 to 1:30 dilution
- . Light-duty cleaning: 1:35 to 1:40 dilution

Technical data:

Color / appearance	Fluorescent Green
Odor	Materials Characteristic.
Base	Anionic surfactants 5%-15%, non-ionic surfactants <5%, amphotric surfactant 5%-15%, fluorescent color & water.
pH range	Alkaline
Shelf life	36 months - Unopened.

Available pack sizes:

Plastic packs	250ml - 500ml - 950ml - 5L - 20L
Retail boxes	24 x 250ml - 12 x 500ml / 950ml
