

MULTI-PURPOSE SOAP

CONCENTRATED

PRODUCT INFORMATION

SKU# **G-MS-C**

Application:

Multipurpose-Soap cleans effectively while remaining gentle on delicate surfaces like epoxy, granite, ceramic, stainless steel & many other surfaces. Its low-cleansing formula makes it ideal for everyday maintenance, leaving surfaces sparkling without being harsh.

Description:

- . Use Multipurpose-Soap with confidence on floors, countertops, appliances, cabinets, bathroom fixtures, and more. Its versatile formula eliminates the need for multiple cleaning products.
- . Enjoy a clean and pleasant aroma while you clean. The light and refreshing apple fragrance leaves your home smelling clean and inviting.
- . Multipurpose-Soap is a concentrated formula, allowing for dilution up to 1:40 with water. This eco-friendly feature reduces waste and makes it cost-effective.

Direction of use:

1. Always test on an inconspicuous area of the surface before full application.
2. For most cleaning tasks, dilute Multipurpose-Soap at a ratio of 1 part soap to 40 parts water.
Adjust the dilution ratio according to the cleaning needs:
 - * For heavier cleaning tasks, use a slightly stronger dilution (e.g., 1:20).
 - * For lighter cleaning or delicate surfaces, use a weaker dilution (e.g., 1:40).
3. Apply the diluted solution to the desired surface using a clean sponge or microfiber cloth.
Wipe the surface clean, then rinse with clean water if desired, especially for food-prep surfaces.
4. For a streak-free finish, polish surfaces with a dry microfiber cloth.

Additional Tips:

- . **Do not use it as dishwashing soap.**
- . Store Multipurpose-Soap in a cool, dry place, out of reach of children and pets.
- . Do not use Multipurpose-Soap on unfinished wood, leather, or silk.
- . For heavily soiled areas, consider using a stronger cleaning agent followed by Multipurpose-Soap.

Technical data:

Color / appearance	Yellow - Clear.
Odor	Apple Scent.
Base	Color, anionic surfactants 5% -15%, non-ionic surfactants <5%, Fragrance and preservatives.
pH range	Neutral
Shelf life	36 months - Unopened.

Available pack sizes:

Plastic packs 20L
