

**PRODUCT INFORMATION**  
SKU# **G-WW-NB**

**Application:**

- . Concentrated formula - 30ml makes 3 liters of washer fluid.
- . Rich foam action lifts dirt and grime effortlessly.
- . Streak-free finish, ensures optimal visibility for safe driving.
- . Safe for all vehicles, compatible with all modern windshields, headlight lenses, and wiper blades.
- . Saves money compared to pre-mixed solutions.
- . Takes up minimal storage space.

**Description:**

Windscreen Washer Foamy Concentrate is a powerful, highly concentrated car cleaning solution designed to give your windshield a crystal-clear shine while creating a satisfying foam action. With a dilution ratio of 1:100, a single 30ml bottle makes a whopping 3 liters of effective windscreen washer fluid, offering exceptional value for money.

**Direction of use:**

1. Pour 30ml of Windscreen Washer Lavender into a 3-liter reservoir of clean water.  
Ensure the cap is tightly closed before shaking the bottle gently to mix the solution thoroughly.
2. Open the windshield washer reservoir cap and carefully pour the diluted solution into the reservoir.  
Avoid overfilling.
3. Activate the windshield washer system to dispense the cleaning solution.
